**Always in Season**

**Monday, February 17**

WXXI presents this Indie Lens Pop-Up film that follows a mother’s search for justice and reconciliation that begins while the trauma of more than a century of lynching Black Americans bleeds into the present.

Descendants of the victims and perpetrators of lynching are working together to heal a violent history. Blending observational footage with first-person testimonies and expert input, **Always in Season** examines the lingering impact of lynching and the link between this historic form of racial terrorism and the racial violence that exists today.
