

WXXI is excited to bring you a brand new at-home learning series called, Let's Learn created by Thirteen WNET and NYC Department of Education.

Let's Learn is a brand new television and online series for children ages 3 to 8 and their families. The series features one-hour programs that include fun instruction by educators and virtual field trips. The focus of this exciting new series is on foundational reading and writing skills, literacy, math, science, social studies and the arts. Let's Learn content providers add virtual field trips so children can see dance performances, meet animals, visit botanical gardens and more. These partners include Bedtime Math, Education Through Music, Memphis Zoo, New Victory Theater, New York Botanical Garden, New York Public Library, Salvadori Center, National Dance Institute and others.
