Today, someone teased me.

It hurt my feelings.

It makes me sad when someone hurts my feelings.

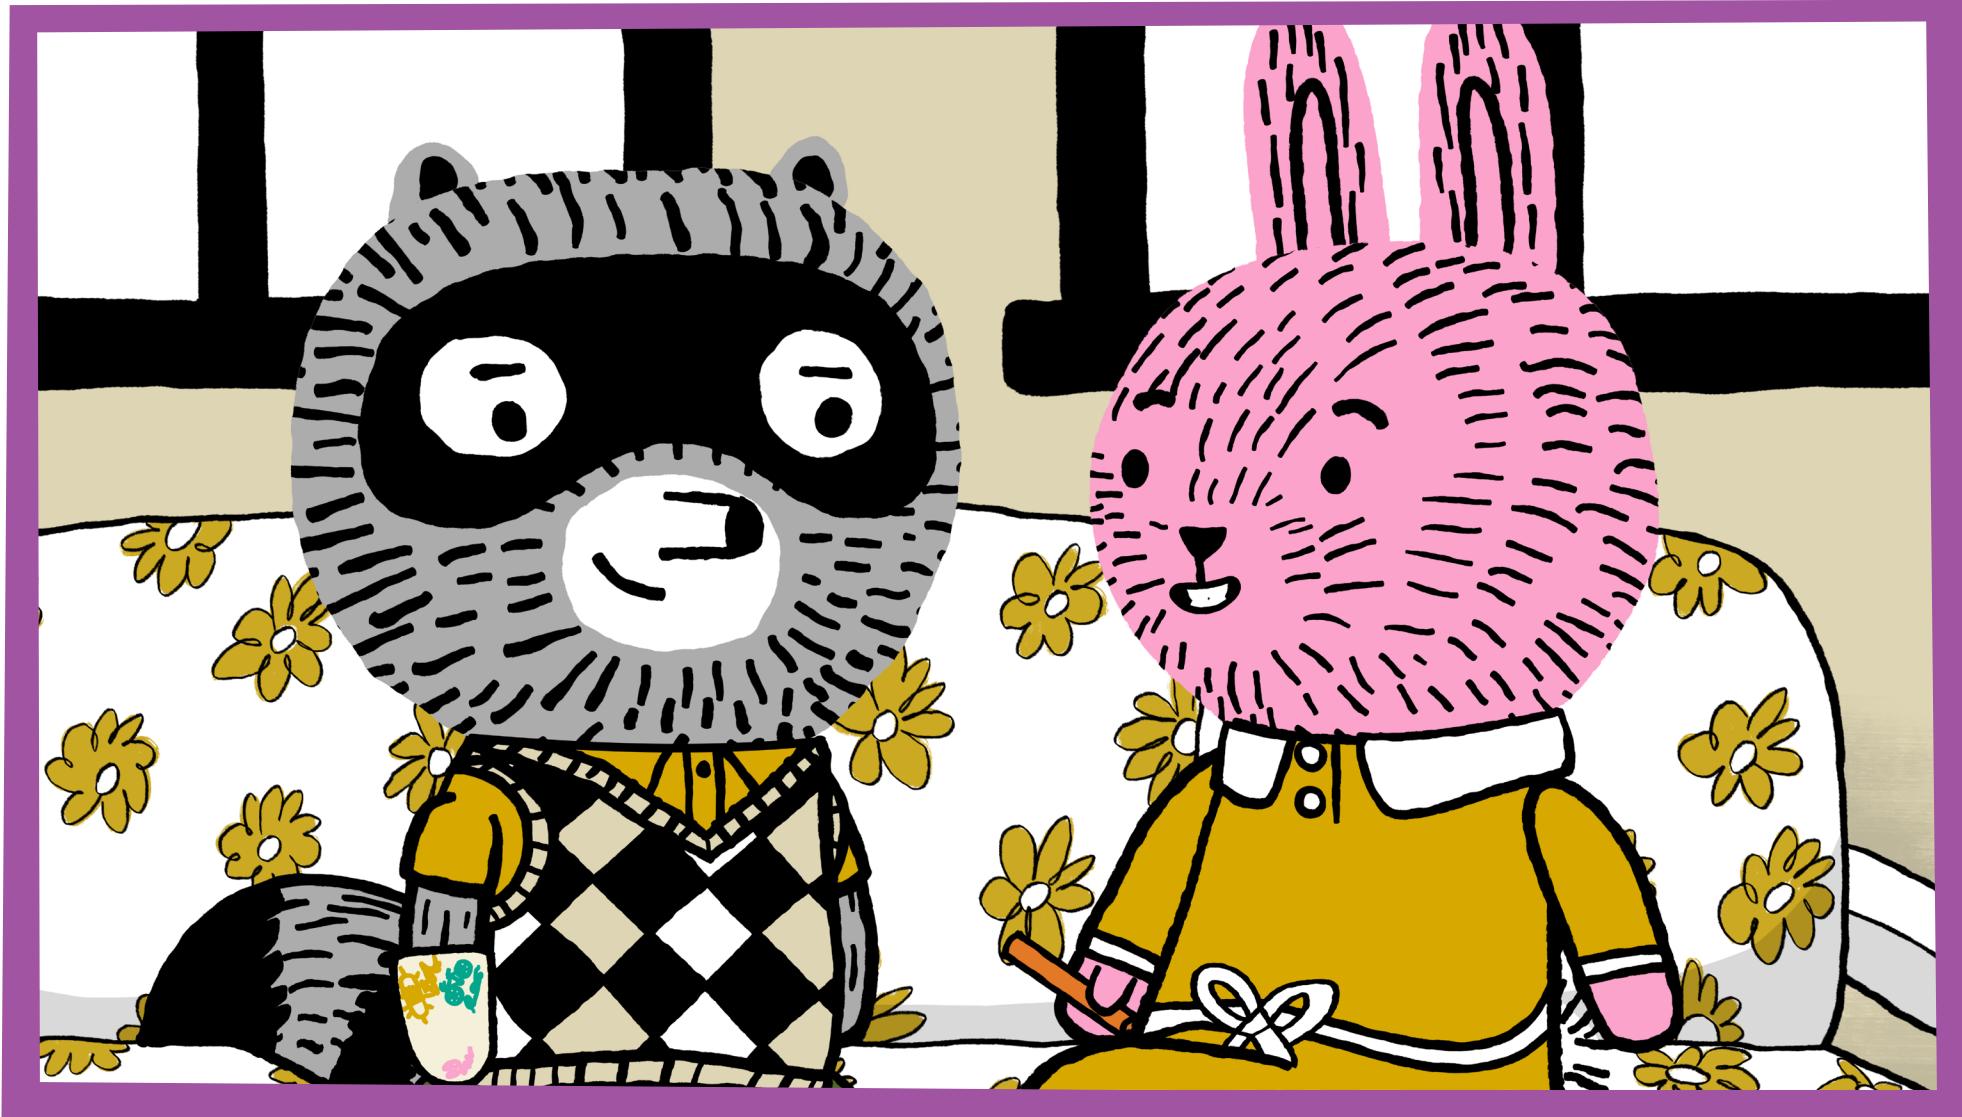

Sometimes I don't know how to feel better or how to respond.

When that happens, I can talk with an adult I trust. I can tell them how I feel. We talk about different ways I can respond.

I can choose to keep playing what I like to play.

I can talk with my friend about my feelings.

I can show the other person why I like a game.
When someone teases me, I can choose how I respond.
