

Everyone can watch and play on PBS KIDS!

Kids today use media in many different ways — sometimes with adults, sometimes on their own. Everything PBS KIDS creates is designed with accessibility, safety, development, and learning in mind.

In the PBS KIDS Games app:

- English or Spanish dialogue and captions

- Adjustable settings for audio and sound effects
- On-screen dialog, and visual contrast settings
- 'highlights' setting that outlines objects on the screen

In the PBS KIDS video app:

- Adjustable audio settings and playback speed
- Captions in English and Spanish
- ASL Interpreted Episodes
- English Audio Description
- English Subtitles for
- Deaf and Hard-of-Hearing
